

# Creekside Kids Day Camp

at Cañon School

1201 W Cheyenne Rd

719-635-9111

Serving families with children ages  
2 ½ through 8 years.

## **Important Notices:**

Spots will be filled on a first come, first served basis. If you are new to Creekside Kids, you will need to complete registration paperwork in addition to summer camp registration forms. Registration forms can be found at [www.creeksidekids.org](http://www.creeksidekids.org) under *Registration*.

Because space is limited, all sessions must be paid for at the time of enrollment.

Refunds may be provided if notice of cancellation is received no later than 2 weeks prior to the beginning of each camp session.

## **Camp Fees**

Please see the fee schedule on the back of the flyer for prices.

Children attending regular care during the summer will be charged a materials fee of \$2 per day and must complete a summer care schedule. All children attending the center will participate in camp activities.

## ***All campers will need to:***

- *Bring a water bottle every day.*
- *Arrive with sunscreen already applied.*
- *Wear closed toe shoes every day.*

**Kitchen Chemistry:** Come be a mad scientist and experiment with kitchen chemistry. What happens when you add lemon juice to dragon's blood? You'll have to be here to find out.

**June 4 – June 15**

**Construction Camp:** The three little pigs built with straw, sticks, and bricks. Let's find out what we can build with these materials and much more. It's the perfect camp for your little builder.

**June 18 – June 28**

**Water Camp:** Come learn about the interesting capabilities of water. We may sink or we may float. Whichever way it goes, it's going to be a sopping wet good time.

**July 2 – July 13 (Closed July 4)**

**Dinosaur Camp:** Become a paleontologist and travel through time to learn about dinosaurs. Dig up fossils, create rubbings, and carve out of piece of history. It's positively prehistoric!

**July 16 – July 27**

**Space Camp:** Travel on our space ship to a new frontier while learning about our solar system, gravity, and rockets. It's going to be out of this world!

**July 30 – August 10**
